Dear Laboratory 76

**Certificate of participation in the 2013 Permeability Proficiency Service**

This letter is to certify that HEMSHELL SERVICES are a participant within the Smithers Pira Permeability Proficiency Service, referenced as Laboratory 76 within all our reports and correspondence.

The April 2013 Z-score results from Laboratory 76 were within the generally acceptable range of  $\pm 2$  for both oxygen transmission and water vapour transmission rate tests.

Yours sincerely,

A handwritten signature in blue ink that reads 'Chris Berry'.
